### Grace and Easter Blessings to you all!

Saint Pope John Paul II proclaimed during and Angelus address in 1986: "Do not abandon yourselves to despair. We are the Easter people and alleluia is our song. We are not looking for a shallow joy but rather a joy that comes from faith, that grows through unselfish love" Easter is the greatest and the most important feast in the Church. It marks the birthday of our eternal hope. "Easter" literally means "the feast of fresh flowers." It is celebrated with pride and jubilation as the resurrection of Christ is the basis of our Catholic Faith.

This celebration of Easter should bring us hope and encouragement in a world filled with despair. The victory of Christ and His resurrection gives mankind a path with purpose and direction. To follow Christ in this triumph demands an "unselfishness; it demands a readiness to say with Mary: "Be it done unto me according to thy word". The true joy of Easter comes with attaching ourselves to the resurrection of Christ by an acceptance of His overwhelming love and mercy. Our Blessed Mother is the perfect example of a joyous and authentic participation in the redeeming and triumphant offering of Christ. In a world filled with anguish, turning to Jesus and Mary is the only pathway to peace.

Every year at the National Shrine of Our Lady of Good Help the novena to the

Sacred Heart of Jesus and the Immaculate Heart of Mary is devotedly prayed and celebrated. Devotion to the Sacred Heart of Jesus and the Immaculate Heart of Mary is crucial for the restoration of life and culture surrounding humanity today. From time immemorial these two hearts have symbolized the intense love that our Blessed Lord and our Lady have for all.

Please join us in prayer and thanksgiving to Jesus and Mary this Easter season. Saint John Eudes wrote: "What union, what intimacy, what understanding and correspondence between these two Hearts... The Holy Heart of Mary was, therefore, always intimately united with the Sacred Heart of Her Divine Son... She always desired what He desired and also consented to act and to suffer so as to fulfill the work of our redemption."

Please join us in our Novena of Masses and prayer in preparation for the celebration of the feasts of the Sacred Heart of Jesus and the Immaculate Heart of Mary from June 16th through the 24th.

yours in christ, Fr. John

### Giving up meat on Friday

By Fr. John Broussard

It has been a long-standing tradition in the Church that during the Fridays of Lent Catholics all over the world abstain from eating flesh meat products. Somewhat less well known is the fact that before the Second Vatican Council, Catholics also gave up meat every Friday of the year, not just during lent. A common question that gets asked, "do I still need to give up meat on Fridays every day of the year, or did that change after the Second Vatican Council?" The answer to this question is: yes and no.

In the current Code of Canon Law (the official "rule book" of the Church) it states: Can. 1250 "The penitential days and times in the universal Church are every Friday of the whole year and the season of Lent." The Church has always seen every Friday of the year (not just during lent) as a penitential day. Furthermore, Canon Law also states: Can. 1251 "Abstinence from meat, or from some other food as determined by the Episcopal Conference, is to be observed on all Fridays, unless a solemnity should fall on a Friday. Abstinence and fasting are to be observed on Ash Wednesday and Good Friday." Canon 1253 further expands the competence of the national conference in regulating the practice of abstinence. This means that we in the U.S. need to look at what the particular law is for the United States and how it may differ from universal law.

The United States Conference of Catholic Bishops in 1966 released a document on this issue of Friday penance. Norm 3 in this document states: "we hereby terminate the traditional law of abstinence as binding under pain of sin, as the sole prescribed means of observing Friday." So, the obligation to abstain from meat was terminated. The question becomes: What obligation, if any, did the bishops decide to replace it with?

This document goes on to explain that although giving up meat on Fridays of the year is no longer legally binding, one is still urged to do some form of penance. Friday is the day on which our Lord suffered and died for us, thus we remember this day throughout the year by being mindful of our penitential practices. This being said, urged does not mean that it is required. The norms now established by the USCCB are for the purpose of allowing an individual to govern what would be the most effective means of penance without the legal requirement under pain of sin. As practicing Catholics, we are most convicted when we respond out of love than out of mere obligation. Thus, the removal of strict requirements is not a "get out of jail free card" but rather an encouragement to live one's faith with greater love and devotion.

### Plan Your Next Pilgrimage Around Champion Shrine's Shepherd Project

By Kathy Ciha, Pilgrimage Coordinator

We have been busy this Spring planning pilgrimages to the Shrine of Our Lady of Good Help for groups who are interested. We are well on track to have over 200 groups visit the Shrine this year alone!

May has always been a busy month for pilgrimages, especially for Schools who bring children to learn about Our Lady before they end their academic year. We have had 10 different schools plan a pilgrimage to the Shrine so far this year. From 2nd Grade thru High School – the children love to visit the Shrine and, many times, return with their family members.

Also in May, the Shrine will begin The Shepherd Project: A season of prayer for Bishops across the United States. From May through October, the Shrine will dedicate its prayers each day to a particular Bishop and his Diocese. The full list and lineup of Bishops can be found on our website at championshrine.org/shepherd-project.

I encourage you to visit our website and consider planning a pilgrimage to the Shrine on the day your Bishop will be prayed for. Last year we had 2 groups, one from Madison, WI and the other from Indianapolis, IN who visited the Shrine and brought their Bishop along. Wouldn't it be great to have a group from your parish and/or school visit Our Lady of Good Help and be able to pray for your Bishop on his special day here at the Shrine? You could also think about coordinating several parishes in your Diocese to gather for a pilgrimage on your Bishop's prayer day!

To learn more about aligning your pilgrimage with The Shepherd Project, contact us at 920-866-2571 ext. 113.

A perpetually-lit candle dedicated to the Shepherd Project is placed by the Shrine's St. Methodius Statue in the Oratory

# The Shepherd Project

As our world faces a shortage of peace and an increase in division and attacks within our families and the Church, our Bishops are facing extreme challenges. This is why they need our prayers, now more than ever, for the grace necessary to heroically lead people of faith in these uncertain times.

This is what inspired the Shrine's Shepherd Project – a season of prayer for each Bishop across the United States, beginning from the Shrine's location in Wisconsin and spreading outward as the year goes on. Join us as we offer our prayers to the Blessed Mother for a Bishop each day from May to the end of October.

### "O Mary, Conceived Without Sin, Pray For Us Who Have Recourse To Thee"

By Jim Janssen, Operations Manager

Why do so many Catholics wear medals? Medals serve as a visible reminder of intangible realities as we strive to live our true faith in our everyday lives. Wearing a special saint or holy medal is an individual, unique expression of our resolute Catholic faith. Once a medal is blessed by a priest using Holy Water and special prayers, it then becomes a sacramental – a sacred devotional object that prepares the wearer to receive God's Graces with a willingness to cooperate with those graces.

The Miraculous Medal is the most popular of all Catholic medals. It is engraved with the words "O Mary, Conceived Without Sin, Pray For Us Who Have Recourse To Thee." This short prayer allows us to recall our Blessed Lady's powerful intercession on our behalf.

The Miraculous Medal owes its origins to the apparition of the Blessed Mother in the Chapel of the Rue du Bac, Paris in 1830. She appeared as the Immaculata to St. Catherine Labourne, a novice with the Daughters of Charity. On July 18, the Immaculate Virgin, seated in the same chapel, had spoken gentle words of encouragement to the young novice. On November 27, the Virgin Mother showed St. Catherine the design of a medal which would remind people of the love and protection that Our Lady continually offers God's children.

The front of the Miraculous Medal shows Mary standing on a globe, (representing earth) with a crushed snake under her feet. The etched image represents Mary's role as "Queen of Heaven and Earth". The snake, Satan, was defeated by Mary's obedience to God. The rays coming from her outstretched hands symbolize the graces Mary so generously gives to those who ask her. The year 1830 commemorates the year that the Blessed Mother appeared to St. Catherine Laboure.

On the reverse side is a cross and the letter "M". The cross represents Christ's sacrifice for our salvation. The bar under the cross stands for the Earth. The "M" denotes "Mary" and her true devotion both to Jesus and to all of her children on Earth. The two hearts are the Most Sacred Heart of Jesus and the Immaculate Heart of Mary. The image is surrounded by twelve stars. The stars can represent both the twelve Apostles and the verse from the Book of Revelation which says, "... and on her head a crown of 12 stars" (Revelation 12:1).

The Gift Shop at the National Shrine of Our Lady of Good Help, offers an extensive selection of devotional medals.

### The Promises of the Medal

During Our Lady's visit to Catherine, rays of light flowed from the rings made of precious stones on her fingers. However, some of the stones on the rings did not shine. Mary explained:

"These rays symbolize the graces I shed upon those who ask for them. The gems from which the rays do not fall are the graces for which souls forget to ask." Mary then spoke of the medal with these words:

"All who wear it will receive great graces; they should wear it around the neck. Graces will abound for persons who wear it with confidence."

The Miraculous Medal is a visible sign of the inner devotion the wearer has for Mary and her Son, Jesus.

# COMMUNICATIONS UPDATE

### St. Bernadette and Adele Brise – Together for the First Time

By Chelsey Hare, Director of Communication

For the first time ever, the relics of St. Bernadette are touring the United States, visiting parishes and communities coast to coast from April to August. As part of her relic tour, St. Bernadette is making a special stop in the Diocese of Green Bay from June 12-16 to visit St. Bernadette Parish in Appleton (June 12-13), Our Lady of Lourdes Parish in De Pere (June 14), and The National Shrine of Our Lady of Good Help in Champion (June 15-16). The Diocese of Green Bay will be the only stop for the relic of St. Bernadette within Wisconsin and its surrounding states.

Since learning of the St. Bernadette's national US tour, The Shrine has been joyfully planning for the Saint's arrival in June. For the first time at Champion Shrine, two approved Marian Apparition visionaries will be in the same place for two days - St. Bernadette and Adele Joseph Brise! We are looking forward to the many blessings that can come from St. Bernadette's presence here at the Shine and for pilgrims to be able to experience the message of Our Lady of Lourdes on the grounds where Our Lady of Good Help appeared.

Having St. Bernadette and Adele Brise together for two days will also give an opportunity for pilgrims to learn about the incredible similarities between the two approved Marian apparitions of Our Lady of Lourdes and Our Lady of Good Help. Here are a few to consider:

- Our Lady's apparitions in Lourdes and Champion were only one year apart. St. Bernadette saw Our Lady of Lourdes in 1858 and Adele Brise saw Our Lady of Champion in 1859.
- In both apparitions, our Blessed Mother appeared to young women who had physical limitations. St. Bernadette struggled with asthma and Adele

Top: Adele Brise Bottom: Bernadette Soubirous

For more information on St. Bernadette's relic tour visit in the Diocese of Green Bay, visit **championshrine.org/relic-tour** 

Brise had suffered the loss of her right eye due to an accident with lye as a young girl.

- Mary's identification to both visionaries was concise and theologically significant. In Lourdes, she introduced herself by saying "I am the Immaculate Conception;" In Champion, she told Adele "I am the Queen of Heaven." Both titles revealed a theological truth of Mary's significance within the Church, from conception to assumption.
- In both apparitions, our Lady asked for prayers for sinners.

These are only a handful of the many similarities between these two apparitions and we, at the Shrine, encourage you to visit in June to pray with St. Bernadette and Adele, learn their stories, and reflect on our Lady's messages to the world through her apparitions to them.

# FUND DEVELOPMENT

### Restoring the Outdoor Stations of the Cross

By: Kelsey Dorner, Development Director

The outdoor Stations of the Cross have been a fixture on the Shrine grounds for many years. Countless pilgrims have walked the pathway seeking prayer and reflection. Hundreds of memorial bricks are placed within the pathway remembering and honoring loved ones and celebrating special life events. Pilgrims visiting the stations recently may have noticed the Wisconsin outdoor elements have taken a toll on this tranguil area. In March, the Shrine began a Stations of the Cross Restoration project that will not only address much needed repairs to the stations from the ground up but will also strengthen the infrastructure by providing water drainage, electrical, water and sound upgrades.

The five bases, which the stations sit upon, have survived countless winters and springs thaws that have now left each base uneven and have compromised the structural integrity for each base. The units which house the Station of the Cross statues have been removed and new bases are currently being made onsite. Once the grounds dry from the spring rains, a local contractor will come onsite to remove the old bases and will pour new concrete pads for the newly constructed bases to sit on.

While new concrete pads are poured, we will also focus on the infrastructure needs. We will upgrade the water drainage system for the pathway. Historically, the Stations of the Cross pathway has had standing water issues due lack of adequate drainage. A new drainage system will not only address the standing water issue but will also help stabilize the memorial bricks.

In addition to the new drainage system, upgraded electrical, water and sound will complete the infrastructure upgrades. The upgraded electrical will provide a power source within the pathway for any

future needs. A new water line will provide a source of water for the pathway landscaping and the adjacent areas surrounding the pathway. The upgraded sound system will provide a better quality of sound for not only the music that plays throughout the day but also for pilgrims to clearly hear events

like the rosary during the Eucharist Rosary Procession.

Since the units that house the Stations of the Cross statues were removed from their original bases the units and station statues have also been restored. The housing units were repainted, inside and out, and a generous donor came on site to install new copper roofs on all seven units. The actual station statues were also restored. Some statues only needed a good cleaning and a fresh coat of paint, while others needed additional minor repairs.

In the coming month the newly constructed bases will be placed on the freshly poured concrete, ready to display the restored Stations of the Cross statues within their housing units. Once again, this tranquil outdoor area will be ready to

welcome back pilgrims who seek out this pathway for peaceful prayer and reflection throughout the year. This restoration would not be possible without the generous support of so many donors. Currently, the Stations of the Cross Restoration project is still in need of \$45,000 to be fully funded. If you are interested in supporting this project please contact Kelsey Dorner at (920) 866-2571 ext. 125 or at kdorner@ championshrine.org. Or include note that states "Stations of the Cross Project" with your donation. Any level of support is greatly appreciated!

# Adele's Wish List

Adele Brise was a visionary who had an unwavering faith in Jesus to help her carry out the mission entrusted to her by the Queen of Heaven here at Champion.

Nowhere is this more evident than in the countless stories of miraculous last-minute wishes for help and assistance granted to Adele. Be it food for the orphaned children, money to keep the school open for classes or to ensure the Chapel could be kept open and running, Adele would express her wish in the form of a prayer and put her faith in Jesus and his Mother to enlist their foot soldiers in faith here on earth to provide.

In the spirit of that faith and trust, we humbly put forward "Adele's Wish List" for those items most needed by the Shrine at this time. To sponsor an item through a donation, simply send your check to our mailing address or go to our website and click "Make a Gift". If you would like to donate anonymously, please call (920) 866-2571 ext. 125.

Thank you and may God bless you!
