

THE SHEPHERD PROJECT

FROM CHAMPION SHRINE

As our world faces a shortage of peace and an increase in division and attacks within our families and the Church, our Bishops are facing extreme challenges. This is why they need our prayers, now more than ever, for the grace necessary to heroically lead people of faith in these uncertain times.

This is what inspired the Shrine's Shepherd Project – a season of prayer for each Bishop across the United States, starting from the Shrine's location in Wisconsin and emitting outward as the year goes on. Join us as we offer up our prayers for a Bishop a day to the Blessed Mother from **May 1 to the end of October**.

Want to know which Bishop will be prayed for each day? Use your phone to scan this QR code or follow along at championshrine.org/shepherd-project

A perpetual candle will be lit next to the Shrine's St. Methodius statue in the Apparition Oratory, along with the names of the Bishops being prayed for at that time.
